No. 1307

EXCELLENCY:

I have the honor to give below my understanding of an agreement reached between Your Excellency's Government and the Government of the United States for a reduction of passport visa charges:

On and after April 1, 1929, the Governments of the United States of America and of the Republic of Poland are agreed that the charges for non-immigrant passport visa fees shall be \$4.00 (United States currency), which visas shall be valid for any number of entries into the United States by bearers of Polish passports, and any number of entries into Poland by bearers of American passports, during a period of twelve months from the date of issue of the visa, provided the passport remains valid during that period and that the non-immigrant status of the bearer of the passport is maintained. The length of sojourn, within the validity of the visa, shall be determined according to the regulations in force in each country.

I should appreciate Your Excellency's confirmation of the above as soon as possible to enable me to advise my Government accordingly.

Accept, Excellency, the renewed assurance of my highest consideration.
