The Acting Secretary of State to the Panamanian Ambassador

JUNE 17, 1946

EXCELLENCY:

I have the honor to refer to Your Excellency's note of September 21, 1945, regarding the desire of the Government of Panamá to have minted in the United States the sum of one million silver balboas (B/1,000,000) in coin of the following denominations.

B/500,000	in	B/1.00	pieces
225,000	in	0.50	pieces
175,000	in	0.25	pieces
100,000	in	0.10	pieces

In the pertinent decree issued by your Government September 19, 1945, the contemplated issue is motivated by the consideration that an investigation carried out by the Comptroller General's office has shown that there is a scarcity of Panamanian silver money and that a new issue is therefore necessary.

Having regard to the known scarcity of Panamanian silver currency in circulation, the Government of the United States will agree to the contemplated issue in the amount of one million balboas on the understanding that this does not prejudice or modify the conditions and limitations attaching to the issuance of silver currency under the Monetary Agreement of 1904,¹ as modified, although it may be in derogation therefrom to an extent which cannot be determined with accuracy since it is not known what volume of Panamanian silver currency may be in circulation in Panamá on completion of the new issue. It is understood that should it at anytime appear that the amount of Panamanian silver currency in circulation is in excess of \$1,500,000 and that the parity of the coinage with the dollar may be impaired or other
