The American Minister to the Minister of Foreign Affairs

No. 422

EXCELLENCY:

I have the honor to refer to Note No. 83/122/10 (30) of June 12, 1933, of Your Excellency's predecessor, in which he was good enough to set forth the schedule of visa fees imposed by the Royal Egyptian Government for entry or transit through Egypt as follows:

- (1) Visa of passports for entry into Egypt P.T. 38.575 (10 gold francs)
- (2) Visa of passports for transit through Egypt P.T. 3.8575 (1 gold franc)

It is observed that these fees are applicable to the citizens or subjects of those countries which impose a like schedule of fees in respect of Egyptian subjects, those countries imposing higher rates being treated upon the basis of the principle of reciprocity.

In consideration of the principle of reciprocity governing the application of fees for the visaing of passports by the Royal Egyptian Government, I have the honor to state that, having acquainted my Government with the contents of the communication under reference, I have been authorized by my Government to conclude a reciprocal arrangement with the Royal Egyptian Government by exchange of notes in the following terms:

1. The Government of the United States of America will, from the fifteenth of October, 1933,² collect no fee for executing applications for the visaing of passports in the case of subjects of the Royal Egyptian Government desiring to visit the United States (including the insular possessions)
