No. 5497

KAUNAS, March 11, 1932

MR. MINISTER:

Taking into consideration the fact that the American Government is in agreement with the Lithuanian Government for the reduction of the present rate of collection of fees for visas of travelers' passports, immigrants excepted, upon a reciprocal basis, I have the honor to bring to your Excellency's attention the fact that the Lithuanian Government will collect after April 15, 1932, from citizens of the United States of America, 50 lits (\$5.00) for the visa authorizing arrival and departure in the case of passports intended for a single journey or an unlimited number of journeys during one year. Transit visas, with the right to sojourn four days in Lithuania, will be accorded gratuitously.

These dispositions, by way of reciprocity, will be applied to the same categories of travelers, citizens of the United States, as those indicated in the Third Section of the Immigration Act of 1924,² of the United States of America, as follows:

(1) a government official, his family, attendants, servants, and employees, (2) an alien visiting the United States temporarily as a tourist or temporarily for business or pleasure, (3) an alien in continuous transit through the United States, (4) an alien lawfully admitted to the United States who later goes in transit from one part of the United States to another through foreign contiguous territory, (5) a bona fide alien seaman serving
