AMERICAN EMBASSY
Seoul, Korea, June 24, 1949

EXCELLENCY:

I have the honor to inform Your Excellency of the desire of the Government of the United States of America to obtain on a provisional basis, pending the conclusion of a formal air transport agreement between the Government of the Republic of Korea and the Government of the United States of America, the grant of civil aviation rights similar to those previously accorded by the United States Army Forces in Korea to United States commercial carriers. The Government of the Republic of Korea is requested by the Government of the United States of America to grant to United States commercial air carriers the following rights on Korean territory to remain effective until a formal air transport agreement has been concluded between the two countries:

- (1) To transit and make technical stops in Korean territory and to pick up and discharge international traffic at Seoul;
- (2) Of reasonable and non-discriminatory landing fees and other related charges;
- (3) To bring into Korea, fuel, lubricating oils, and spare parts intended solely for use by United States commercial aircraft engaged in international flights on the basis of the same treatment accorded national air lines of the most-favored-nation;
- (4) Of exemption from customs and inspection fees and similar charges
