DEPARTMENT OF STATE

WASHINGTON

February 3, 1945

SIR:

I have the honor to refer to discussions which began at the recent International Civil Aviation Conference in Chicago, and which have since been continued, on the subject of a reciprocal air transport agreement between the Government of the United States and the Government of Ireland.

It is my understanding that these discussions and negotiations, now terminated, have resulted in the following agreement:

AGREEMENT BETWEEN THE UNITED STATES OF AMERICA AND IRELAND RELATING TO AIR TRANSPORT SERVICES

Having in mind the resolution recommending a standard form of agreement for provisional air routes and services, included in the Final Act of the International Civil Aviation Conference signed at Chicago on December 7, 1944, and the desirability of mutually stimulating and promoting the sound economic development of air transportation between the United States and Ireland, the two Governments parties to this arrangement agree that the further development of air transport services between their respective territories shall be governed by the following provisions:
