### AGREEMENT BETWEEN THE UNITED STATES OF AMERICA AND THE KINGDOM OF THE NETHERLANDS UNDER SECTION 3 (C) OF THE LEND-LEASE ACT

As parties signatory to the United Nations Declaration of January 1, 1942,<sup>2</sup> the Government of the United States of America and the Government of the Kingdom of the Netherlands have pledged themselves to employ their full resources, military and economic, against those nations with which they are at war. In the Agreement of July 8, 1942 <sup>3</sup> between the Government of the United States of America and the Government of the Kingdom of the Netherlands, each contracting government undertook to provide the other with such articles, services, facilities and information useful in the prosecution of their common war undertaking as each may be in a position to supply.

The Government of the United States of America and the Government of the Kingdom of the Netherlands desire to insure the continuing provision of such articles, services, facilities or information without interruption owing to any uncertainty as to the date when the military resistance of the common enemy may cease; and desire to insure further that such articles, services, facilities or information as shall be agreed to be furnished by the United States of America for the purpose of providing war aid to the Government of the Kingdom of the Netherlands, shall be disposed of and transferred, following a determination by the President that such aid is no longer necessary to the prosecution of the war, in an orderly manner which will best promote their mutual interests.

For the purpose of attaining the above-stated objectives, the Government of the United States of America and the Government of the Kingdom of the Netherlands agree as follows:
