The Ministry for Foreign Affairs to the American Ambassador

His Excellency

ARTHUR BLISS LANE

Ambassador of the United States

in Warsaw

EXCELLENCY:

The Ministry of Foreign Affairs transmits expressions of respect to the American Embassy in Warsaw and in connection with the Embassy's note No. 842 of January 3, 1947 and the conference of January 21, 1947 concerning the mixed Polish-American Commission for citizenship affairs, has the honor to inform the Embassy as follows:

The Ministry shares the Embassy's view that the Commission would be authorized to collect and determine appropriate facts and, on this basis, to make recommendations to the governments of the Polish Republic and of the United States of America, leaving to each sovereign state final decision in citizenship matters.

The Ministry feels that a parity basis would be most suitable for a Commission of this sort (for instance, two representatives of the Polish Republic's government and two Embassy representatives) with Polish and American Chairmen alternating.

The detailed procedure for its work (formal method for convoking the Commission for further meetings, presentation of cases for the Commission's examination, determination of the material basis for the Commission's decisions, submission of evidence and making of recommendations) could be prepared by the Commission itself at its first meeting.

In informing the Embassy of the above, the Ministry proposes calling the Commission's first meeting for March 5, 1947.

¹ Pursuant to notice of termination given by the United States May 21, 1948.
