No. 233

### EXCELLENCY:

I have the honor to refer to the agreement between the United States of America and Perú regarding anthropological research and investigation which was effected by exchange of notes signed at Lima on March 9 and August 4, 1944<sup>2</sup> and under the provisions of which work was begun in Perú in 1944. I refer also to the request of the Ministry of Education of the Government of Perú that the Government of the United States of America continue to make available the services of one or more social anthropologists to assist in furthering the development of social sciences in Perú.

Pursuant to that request, I have the honor to state, at the instance of my Government, that the Institute of Social Anthropology of the Smithsonian Institution is prepared to cooperate with the appropriate Peruvian authorities in the continued conduct of anthropological research and investigation in Perú in accordance with the following principles and procedures:

1. General Provisions. The Government of the United States of America, desiring to cooperate with the Government of Perú in this undertaking, agrees, subject to its own personnel requirements, to make available to the Government of Perú the services of one or more social anthropologists of the Institute of Social Anthropology of the Smithsonian Institution. American personnel detailed under the provisions of this agreement will be stationed in Lima to cooperate with the personnel of the Instituto de Estudios Etnológicos of the Museo de la Cultura Peruana, a dependency of the Ministry of Education.
