FEDERAL POLITICAL DEPARTMENT
DIVISION OF FOREIGN AFFAIRS

B 23/1 Liech.-NH.

By notes exchanged on May 11, 1925, between the Legation of the United States of America and the Federal Political Department,² each of the two States agreed to exempt from the payment of passport visa fees the nationals of the other State falling within the category of travelers described as "non-immigrants" by the American Immigration Law of 1924.³

Since, in virtue of the entry into force of the Customs Union Convention between Switzerland and Liechtenstein (January 1, 1924) every foreigner who is authorized to enter Switzerland may, without any further formality, enter the territory of the Principality, the Political Department has the honor to request the kind intervention of the Legation of the United States with a view to having the advantages of the above mentioned agreement extended to nationals of Liechtenstein.

¹ Certain agreements between the United States and Switzerland were, or are, applicable also to Liechtenstein. See *post*, vol. 11, SWITZERLAND.
