### EXCELLENCY:

I have the honor to refer to the Basic Agreement, as amended, entered into on May 19, 1943<sup>1</sup> between the Republic of Perú and the Institute of Inter-American Affairs, providing for the existing cooperative food production program in Perú. I also refer to Your Excellency's note of August 9, 1949 suggesting the consideration by our respective governments of a further extension of that Agreement.

Considering the mutual benefits which both governments are deriving from the program, my Government agrees with the Government of Perú that an extension of the program beyond its present termination date of June 30, 1949 would be desirable. Accordingly, I have been advised by the Department of State in Washington that arrangements may now be made for the Institute to continue its participation in the program for a period of one year, from June 30, 1949 through June 30, 1950. It would be understood that, during this period of extension, the Institute would make a contribution of \$150,000, in the currency of the United States, to the Servicio Cooperativo Inter-Americano de Producción de Alimentos, for use in carrying out project activities of the program, on condition that your Government would contribute to the Servicio for the same purpose the sum of S/. 4,724,-400. The Institute would also be willing during the same extension period to make available funds to be administered by the Institute, and not deposited
