MEMORANDUM OF AGREEMENT

The Government of the United States of America, through the United States Department of Agriculture, and the Government of Peru desiring to cooperate in the establishment and operation of an agricultural experiment station at Tingo Maria, Peru, for the purpose of promoting the production of basic and strategic tropical products have reached the following agreement:

1. The general functions of the station shall include: (a) agronomic production investigations necessary to permanent agriculture in the Tingo Maria region and in general over the whole of the Peruvian Amazon basin with complementary products, particularly rubber, as the cash crops; (b) extension of approved agricultural practices by the operation of demonstration farms, and by agricultural extension work as liaison between the station and the private farms; (c) the propagation and distribution of planting material to farmers; and (d) cooperation with other agricultural institutions of the Western Hemisphere in the promotion of tropical agriculture through consultation and the exchange of scientific information and personnel.

2. The Government of Peru will make available all land necessary to conduct investigations and demonstration work designed to promote the profitable production of export crops, such as rubber, fibers, insecticides, medicinals, et cetera, and increase the income and foreign trade of the people of Peru. Such land shall be selected by the director of the station in cooperation with the appropriate governmental agency of Peru, and the Government of Peru shall permit the continued use of the land by the experiment station
