No. 697

EXCELLENCY:

I have the honor to refer to the recent negotiations which have taken place between the Intersecretarial Committee of Your Excellency's Government and Messrs. Wilson R. Buie and Durrell L. Lord, representing the United States Department of Agriculture, regarding the continued employment of Mexican agricultural workers in the United States, and to request that Your Excellency be good enough to inform the Intersecretarial Committee that my Government agrees to the following supplementary provisions in relation to the program being carried out under the terms of the agreement between the United States of America and Mexico, which was signed on August 4, 1942,<sup>2</sup> and revised April 26, 1943:<sup>3</sup>

1. It is agreed that no change in the present wording of the Work Agreement form now in use need be made, but specific understandings hereinafter suggested are to be given effect by appropriate administrative action.

2. It is understood that workers who are to be employed any part of the time in work on the sugar beet crops will be informed of that fact and that much of such work is arduous.

3. It is agreed that when implementing Paragraph 2 of the Work Agreements, the location meant by the words "area" and "region" will be considered to be the County in which the Mexican worker is employed.
